Step 2 Blend Words into Compound Words

Shout it Out!

Auditorily blending single words into a compound introduces students to the concept of blending. Say the two words listed below. Ask the student to shout out the new word and find the picture that goes with the new word on the Student Activity Sheet.

Materials Needed

Student Activity Sheet

Teacher **Student**

news - paper **newspaper**

sail - boat **sailboat**

pop - corn **popcorn**

head - phones **headphones**

suit - case **suitcase**

cup - cake **cupcake**

Student Activity Sheet

Shout it Out!

Optional: Cut the pictures out and hide them around the room for students to find when they shout out each new word.
