

Miles and Jax

Master Planners

Kimber Iverson & Jill Pearson

Chapter 1

Miles and Jax Solve a Crime

Dad's birthday is coming soon.

"Mom, can we have ice cream for Dad's birthday?" Miles asks. Miles likes ice cream the best.

"No, I made cupcakes for him instead," says Mom. "I hid them in the fridge."

"Okay," says Miles. He likes cupcakes almost as much as ice cream.

Chapter 2

Miles and Jax Build a Treehouse

Miles pounds a nail into a board.

“OK, Jax,” he says.

“That was the last nail. What do you think of our new treehouse?”

Chapter 3

Miles and Jax Make a Surprise

“Here, Jax, catch!”
Miles shouts as
he drops
an apple.

Jax dives into a hole.

“No, Jax, you don’t need to be scared of an apple! You merely need to catch it!”
says Miles.

After a moment, Jax pops out of the hole
and shouts, “Wait!”

Chapter 4

Not a Mere Cat

Miles and Jax are visiting Katie. While Miles and Katie are talking, Jax sees a cat.

The cat creeps into the room and sneaks up to Miles. She rubs her soft fur against his legs and meows.

Then she leaps up to his lap. Miles pets the cat, and the cat purrs and purrs.

“What a nice cat you have, Katie!”
says Miles.

“Oh, yes,” says Katie. “That is Fluffy. I got Fluffy for my birthday last year. Fluffy is the best pet in the whole world. She likes to sit and snuggle with me. She even sleeps on my bed at night.”
