

Combining the
science of reading
with the
joy of learning

Foundations

A Complete Phonics, Reading, Handwriting, and Spelling Program

Why Choose Foundations?

- Engaging and fun phonemic awareness games
- Accurate and complete phonics rules
- No sight words or cueing
- Fiction and nonfiction decodable readers
- Print and online components
- Easy-to-Teach
- Tier 3 Evidence
- Fun Games
- Multi-Sensory
- Five Strands of Reading

A
LEVEL

Available in two handwriting styles:
Cursive or Manuscript

Blend & Segment Words

- Blend and segment sounds
- Learn all the sounds for A-Z
- Write the lowercase letters
- CVC words and blends
- 87 high-frequency words
- Comprehension and fluency activities
- 6 readers included in the student workbook

B
LEVEL

Available in two handwriting styles:
Cursive or Manuscript

From Words to Sentences

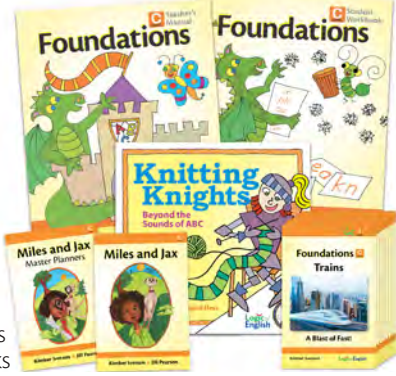

- Write the uppercase letters
- 21 multi-letter phonograms
- 8 spelling rules, including rules for reading and spelling the schwa sound
- 2 reasons for a silent E
- 296 new high-frequency words
- 16 decodable fiction readers

C
LEVEL

Reading for Content

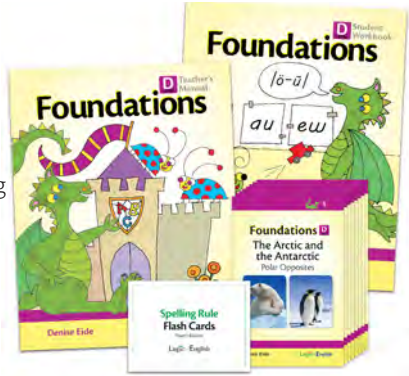

- 28 new phonograms
- 12 new spelling rules
- Multisyllabic words
- 4 types of silent E words
- Read two-syllable words
- Develop fluency and comprehension skills
- 8 decodable non-fiction readers
- 2 decodable early chapter books
- Integrated composition activities

D
LEVEL

Reading Real Books Independently!

- Every word is decodable!
- 6 new spelling rules, including suffix rules!
- 8 advanced phonograms
- Beginning grammar and composition
- 8 non-fiction readers
- Comprehension practice and games

Children's Literature Set

Read 13 classic children's literature books scheduled throughout scripted lessons in the Teacher's Manual.

Foundations Online Supplements

Support instruction with engaging video lessons of all the core content. Develop and reinforce phonemic awareness, systematic phonics, vocabulary, and spelling skills. Build fluency and develop comprehension skills with a wide variety of reading activities.

Available to add onto any volume.

Teacher's Manuals

Make teaching fun with a wealth of games and activities, teacher tips, extension activities, and scripted lessons!

Student Workbooks

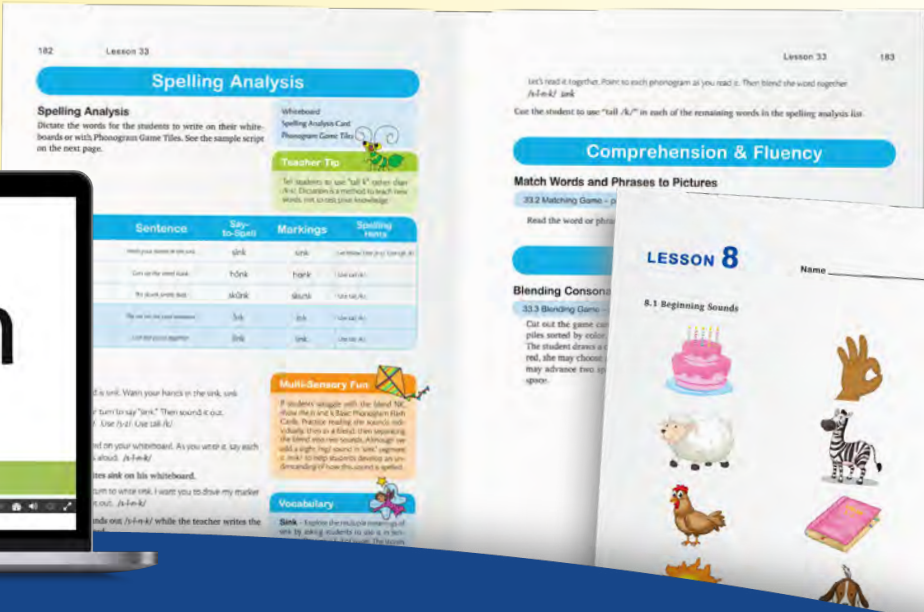

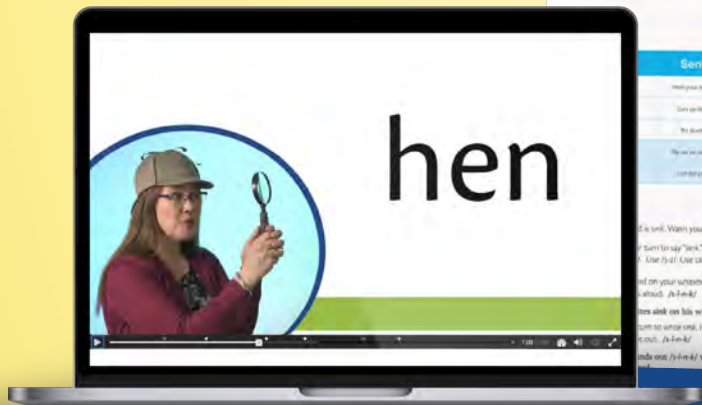

These colorful workbooks are filled with a wide variety of games and activities to help students become strong readers and writers!

Decodable Readers

Foundations Readers grow in complexity as students advance through the Foundations lessons. When introduced as instructed, every reader is 100% decodable!

Quick References, Flashcards, & Game Pieces

Tools and rules that make mastery possible!

CURRICULUM

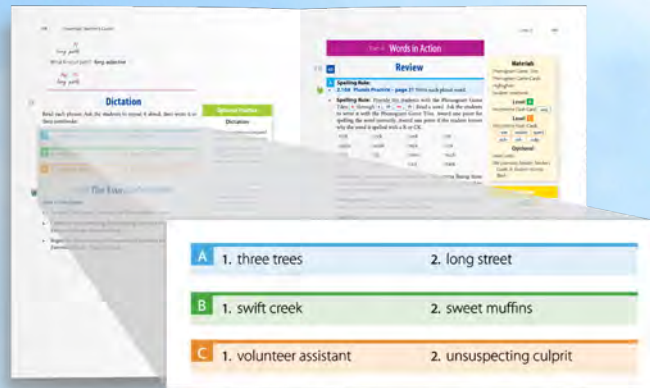

Typically Used With Grades K-2nd | Core or Supplemental

Essentials

Multi-Level Reading, Spelling, Grammar & Vocabulary

A Comprehensive Curriculum Based on the Science of Reading

Help older students strengthen their foundational skills and build their reading confidence. With three levels integrated into one curriculum, you can differentiate instruction and meet the needs of individual students.

Teacher's Guide

A wealth of activities and supports to teach the foundational skills of reading and spelling! Scripted lessons, teacher tips, and extensive review ideas help teachers meet the needs of students at a wide range of instructional levels.

Student Workbooks

With hundreds of discovery-based activities, students will master the grapheme-phoneme correspondences, orthographically map words, strengthen their spelling skills, learn grammar, and ultimately become stronger readers and writers.

Essentials Online

Supplement your printed curriculum with video instruction and engaging practice activities.

Available to add on to any volume.

CURRICULUM

Typically Used With Grades 2-3+ | Core or Intervention

What's Included?

All students start at Unit 1. Every volume includes a **Teacher's Guide**, **Student Workbook**, and a set of **Morpheme Flash Cards**.

Select materials are designed for use throughout all four volumes:

- Spelling Journal
- 4 Sets of Flashcards
- 3 Quick References
- Phonogram Game Tiles
- Phonogram Game Cards

UNITS 1-7

UNITS 8-15

UNITS 16-22

UNITS 23-30

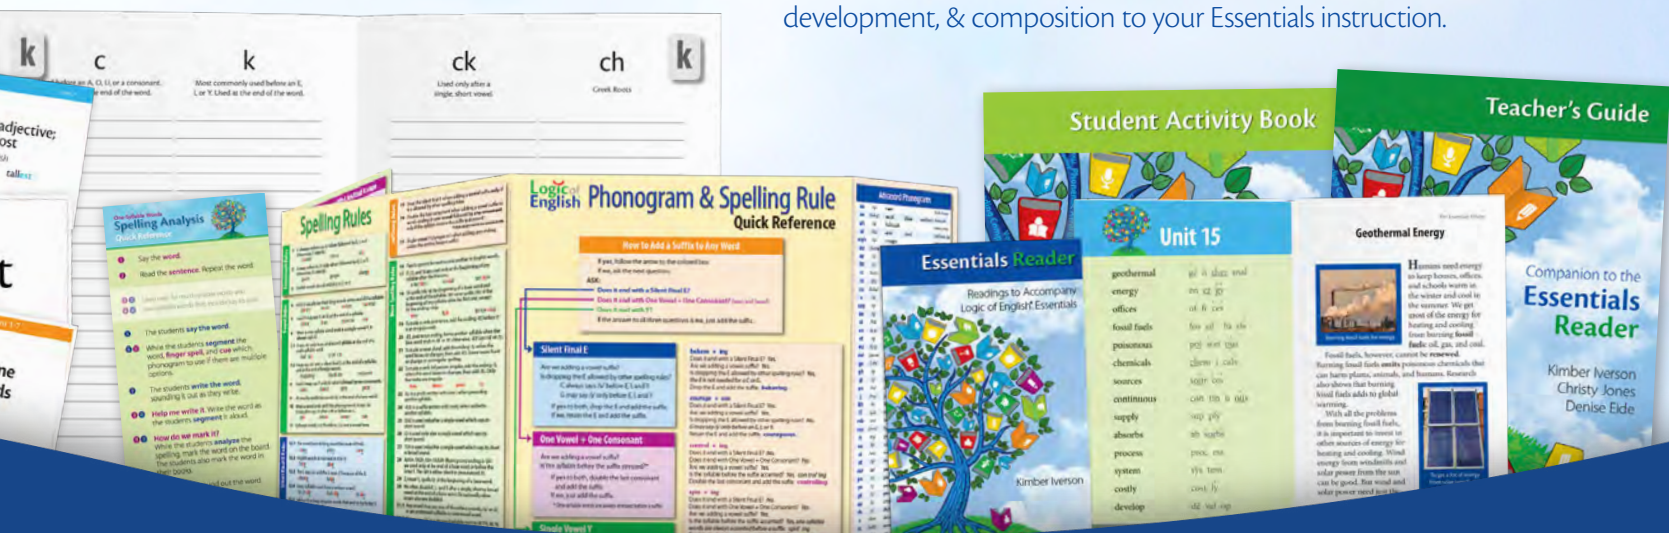

Spelling Journal

Collect and organize words based on phonograms and spelling rules.

Essentials Reader

This high-interest, decodable reader was created with the older struggling reader in mind. This add-on includes everything you need to add reading comprehension, fluency, additional vocabulary development, & composition to your Essentials instruction.

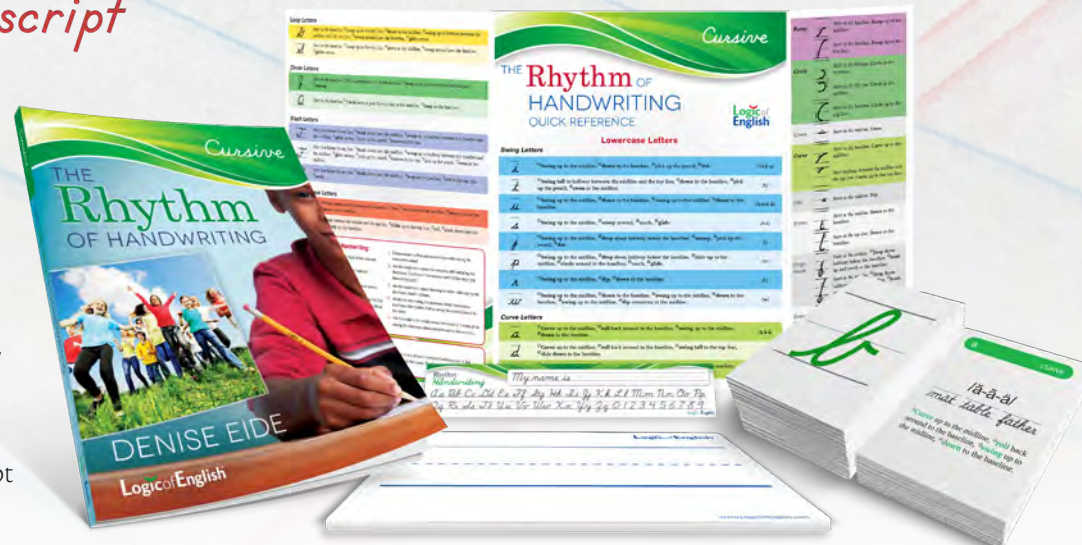

Rhythm of Handwriting

Cursive | *Manuscript*

A Concise, Easy-to-Teach Approach

- Clear and simple instructions
- Teaches motion mastery
- Reinforces systematic phonics
- Guides students to fluid handwriting with developmentally appropriate lessons
- Requires minimal additional resources
- Available in Cursive and Manuscript
- Designed to accompany Essentials or serve as a stand-alone handwriting course.

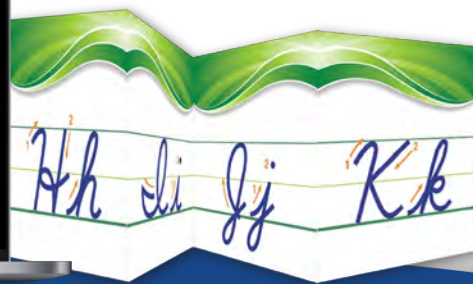

ROH Online Supplements

Enrich your printed curriculum with explicit video instruction including uppercase and lowercase letters, numerals, and strokes. Available in cursive or manuscript.

Classroom Wall Strips

Each strip is perforated between letters so that you can hang them one at a time as you introduce each letter or hang them as a traditional wall strip.

On the front of each card, the letter is printed in uppercase and lowercase, with a starting point and direction arrows for each. The strokes for each letter are listed on the back for teacher reference.

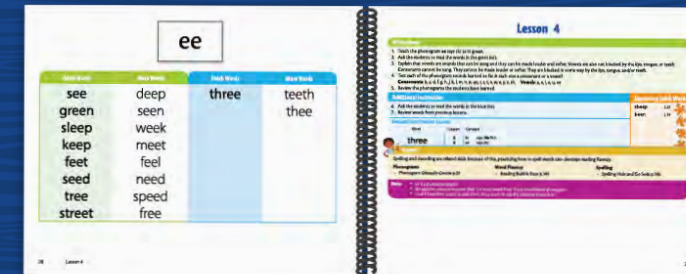

CURRICULUM

Supplemental

rhythm-of-handwriting.logicofenglish.com

Help Students Orthographically Map High-Frequency Words

Teach students how to decode the Dolch Words with complete and accurate phonics rules! 67 mini-lessons are the perfect supplement to any reading program. Each lesson is paired with game suggestions from the Logic of English Game Book to make learning fun!

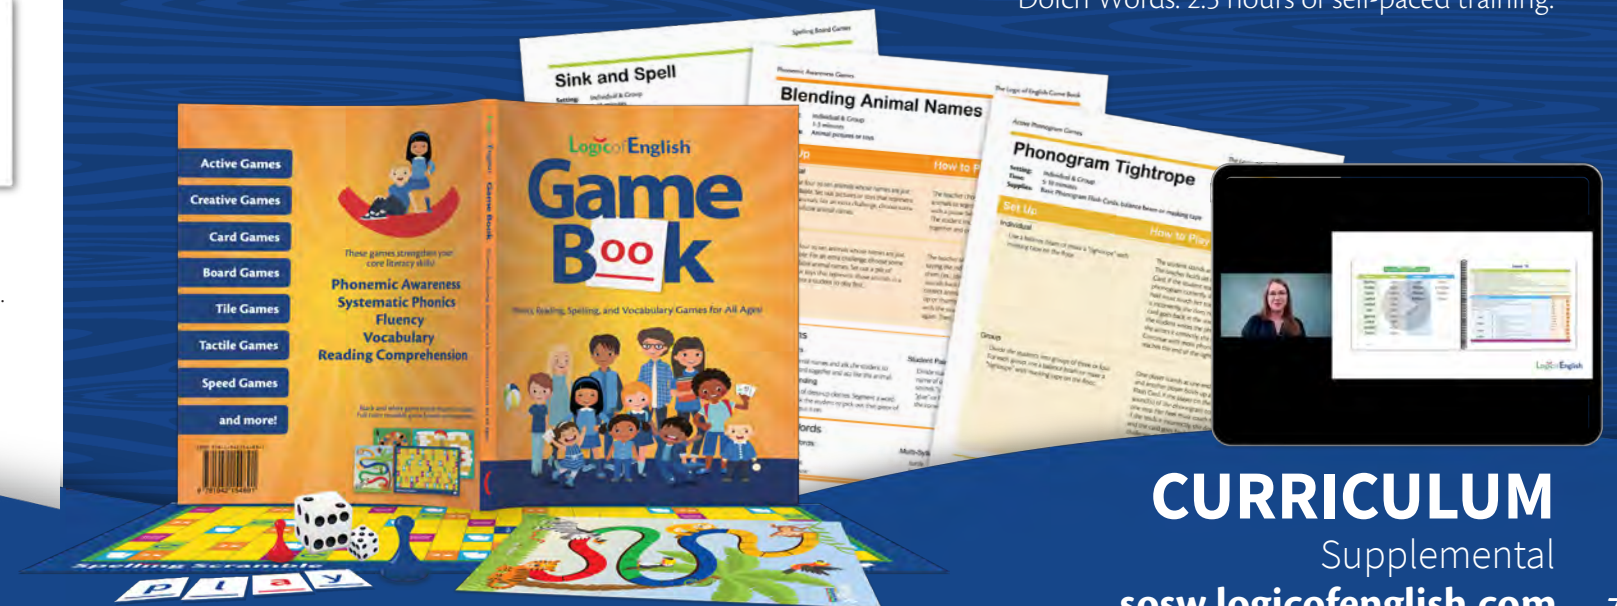

Easily Explain 98% of English Words

One side of the book is for students. The other side is for teachers. Each lesson introduces one or two new phonics concepts. The book is designed to be taught either sequentially **Lesson by Lesson** or **Word by Word** by looking up words in the index.

Practice Literacy Skills With SOR-Based Games

Whether you're teaching Foundations, Essentials, Sounding Out the Sight Words, Rhythm of Handwriting, or another curriculum, the Logic of English Game Book Set contains 300+ fun, adaptable, and age-appropriate games to practice and enhance literacy skills!

SOR Tools For Any Classroom

Apply the Science of Reading with your students today! Quick references, flashcards, and game pieces are incorporated throughout the Logic of English curricula to make teaching easier and foster the joy of learning!

Incorporate Multi-Sensory Fun!

Engaging students using all the learning modalities is at the heart of our curriculum. These materials are integrated into our curriculum packages and can also be used to supplement other programs.

Flashcards

Introduce your students to accurate phonograms, spelling rules, grammatical concepts, and morphology! Prompts and sample words provide teachers with the information they need!

Quick References

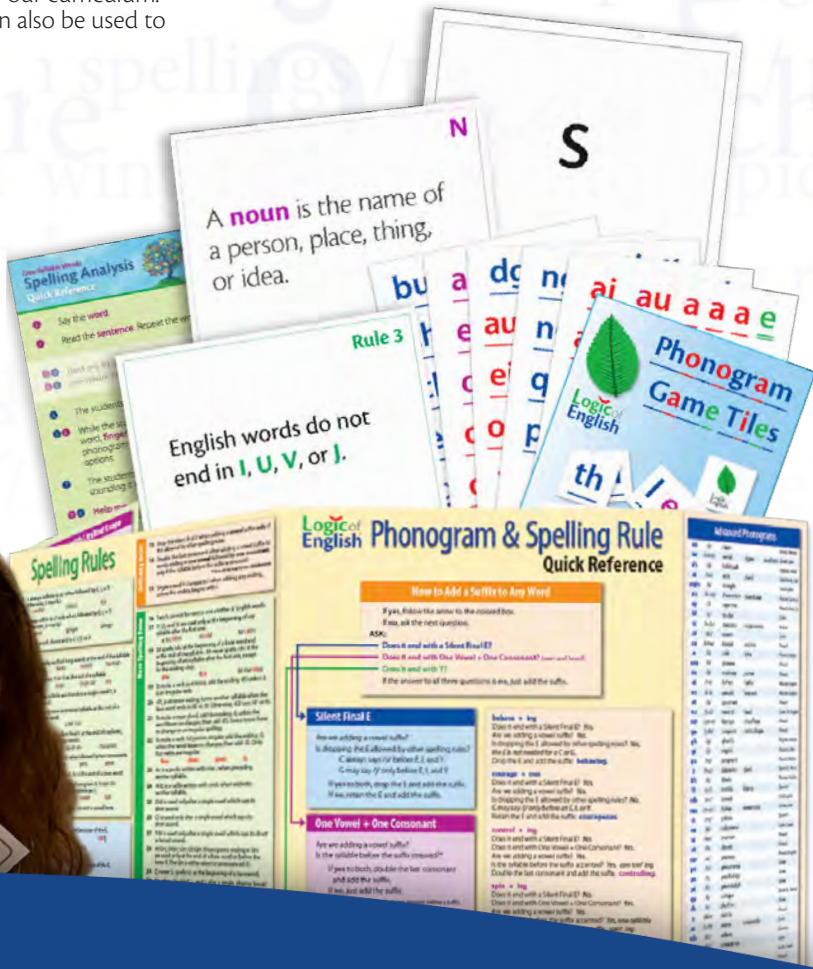

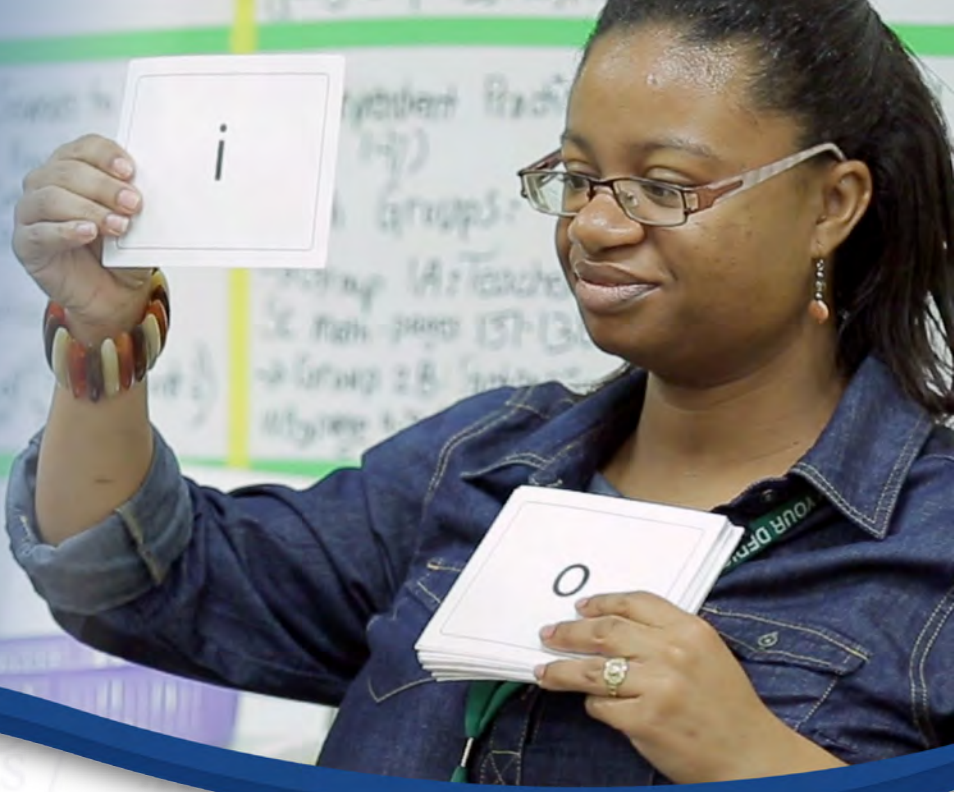

The ultimate teacher tools! Easy-to-follow flow charts, organized lists, and simplified diagrams designed to answer your and your students' questions in a flash!

Phonogram Game Cards & Tiles

Perfect for adding variety to spelling and reading practice or adding engaging and entertaining ways to practice all 75 basic phonograms!

Bookface Game Cards Displayed.
Also available in Cursive or Manuscript.

CORE MATERIALS
Supplemental
logicofenglish.com/products/core-materials

- Blend three- and four-syllable words from an auditory prompt.
- Segment three- and four-syllable words into their individual sounds.

Three- and Four-Syllable Words

- Blend two-syllable words from an auditory prompt.
- Segment two-syllable words into their individual sounds.

Two-Syllable Words

- Identify the medial vowel sound in words.
- Substitute the medial vowel sound to form a new word.

Medial Sounds

- Identify the final sound in a word.
- Add a sound to the end of the word to form a new word.
- Delete the final sound to form a new word.
- Substitute the final sound to form a new word.

Final Sound

- Identify the initial sound in words.
- Add a sound to the beginning of the word to form a new word.
- Delete the initial sound to form a new word.
- Substitute the initial sound to form a new word.

Initial Sound

- Blend consonants from an auditory prompt.
- Blend one-syllable words with a consonant blend from an auditory prompt.
- Segment one-syllable words with a consonant blend into their individual sounds.

One-Syllable Words With a Consonant Blend

- Blend a one-syllable word with only two phonemes (sounds) from an auditory prompt.
- Blend one-syllable CVC words from an auditory prompt.
- Segment a one-syllable word with only two phonemes (sounds).
- Segment one-syllable CVC words into their individual sounds.

One-Syllable Words Without a Consonant Blend

- Listen to two spoken words and blend them into one compound word.

Blend Two Words into a Compound Word

- Distinguish between two different consonant sounds.
- Distinguish between two different vowel sounds.
- Isolate individual phonemes (sounds) within words.

Distinguish and Identify Sounds

- Demonstrate an understanding that different sounds are produced by shaping the mouth, tongue, and lips in different ways.
- Identify a sound as voiced or unvoiced.
- Identify if a sound is a nasal sound.

Kinesthetic Awareness of Sounds

Steps to Developing Phonemic Awareness

The understanding that spoken words are made up of individual sounds (phonemes). **Blending** and **segmenting** words are the skills most highly correlated with skilled reading.
